Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on Harrison Road northwest of Rockford will begin on Monday, July 6, 2015. A.C. Pavement Striping Company will be the contractor for the \$687,333 improvement to Harrison Road from IL 75 to IL 70.

The 2.7 mile section from IL 70 to Knapp Road will be improved by recycling the existing asphalt. The top four inches of the existing pavement will be milled off, mixed with new asphalt, and then re-compacted. The entire 6.7 miles from IL 70 to IL 75 will then be re-sealed.

The project is scheduled to be completed by early August. Drivers should be alert for flaggers who will be directing traffic past the work operations.

Please slow down and use extreme caution while driving through all work zones.
